Video Bridge Training

- Video Bridge System Test Training (4 mins)

- Video Bridge Training for Guest Presenters (8 mins)

- Video Bridge Training - Administrators/Hosts (10 mins)

Video Bridge System Test Training (4 mins)

Event hosts and presenters. You are required to test your system at least 48 hours before the event start time with the same devices and network you plan to use during the event. In this video, you'll learn how to test your microphone, camera source, and audio output.

Video Bridge Training for Guest Presenters (8 mins)

In this video you'll learn how to sign in to the event and join the Live Studio, connect your video source, and use the video bridge controls. You'll also become familiar with video bridge tips and best practices.

Video Bridge Training - Administrators/Hosts (10 mins)

Event hosts and administrators. With the Video Bridge, you can broadcast your video stream from a webcam, video conferencing system (SIP/H.323), on-site encoder (RTMP), or meeting apps such as Skype for Business. In this video, you'll learn how to connect your video source, manage other presenters, and deliver a Video Bridge event to your audience.
